Bethel Winter Carnival - February 16-24

PUBLIC DANCING WILL OPEN CARNIVAL WEEKEND

Instead of swinging and swaying to Sammy Kaye, dancing to the contemporary music of Don Doane's band will be a feature winter carnival attraction on Saturday night, Feb. 17, as the Sunday River Ski Club breaks the winter blues at the new American Legion hall in Locke Mills. Every one is invited but reservations are required — please call Barbara James at 824-2603.

After a few days of really frigid weather, the urge to get out and enjoy a vacation week end ought to be satisfied in the Legion's new hall where sandwiches and snacks will be offered between dances and several door prizes are to be drawn throughout the evening.

For those who remember the "Top Hat and the Bluebird," the music may have changed but the spirit goes on. Dancing will start at 9 and go on until 1 a. m.

HISTORICAL SOCIETY TO HOLD HERITAGE DAY FEB. 22

As part of the Bethel Winter Carnival program, the annual Bethel Historical Society Heritage Day will be held on Feb. 22 at the Dr. Moses Mason Museum, 14 Broad Street, Bethel, beginning at 1 p. m. Activities scheduled include old-time craft demonstrations and exhibits, an art show featuring 10 area artists, a candle-light tour of the museum at 7 p. m. and a film on coopering at 8 p. m. Refreshments will be available and tea will be served at 4 p. m. A sales table of historical society souvenir and gift items plus tours of the museum will also be featured. A warm invitation is extended to everyone to spend what promises to be an interesting and rewarding time.

FIRST 1979 ART SHOW BY BETHEL ARTISTS

On Thursday, Feb. 22, as part of the Bethel area's winter Carnival Heritage Day, at the Moses Mason House Museum, the season's first local art exhibition plans to show the work of many local artists. The exhibition will feature snow scenes by some artists although the show is not restricted to any one type of painting.

Those who plan to exhibit include Helen Morlon, the organizer for this exhibition, Sue Wight, Doug Bane, Walt Clark, Joyce Hathaway, Judy McLaughlin, Mary Stone, Mary Shaw and Don Bennett.

Plans for other 1979 showings include Mollyocket Day, July 21.

from the Bethel Town Office Residents Discuss Roads with Officials

Residents should note that the Town Office will be closed Monday, Feb. 19, in observance of Washington's Birthday. The land-fill will be open as usual Monday, Feb. 19, from 12 noon to 4 p. m.

The Board of Selectmen met Monday evening, Feb. 12, at the Bethel Savings Bank and acted on a varied agenda.

Approximately 30 residents were present to express concerns about considered discontinuance of the Holt Hill/Swan Hill Road, a portion of the Chase Road, a portion of the Osgood Road, and the Billings Road. These residents expressed concern about maintenance, rights of way, access, and fire protection. Most felt that the Town should continue to provide Summer maintenance and close the roads in the winter.

The residents also shared the concern of the Selectmen that the Town could be responsible for spending large sums of money for road construction should someone build a house as one of these roads.

Although various alternatives were discussed, it was agreed that the Town Manager would look in-

to other alternatives which would be in the best interest of the Town and the landowners.

A victualer's license was approved for George Nickerson d/b/a the Bulldog Diner in the former State liquor store on Railroad Street.

Drafts of a Planning Board Ordinance and an Appeals Board Ordinance were reviewed by the Selectmen and approved for inclusion in the Annual Town Meeting Warrant.

The Selectmen reviewed a draft of the Town Meeting Warrant but took no action pending the final meeting of the Budget Committee Wednesday night.

The Board voted to write a letter supporting Legislative bill LD 236, "An act to reimburse municipalities for the cost of conducting State elections". Bethel expense for the last three State elections was \$1,200.

The next meeting of the Selectmen will be Thursday night, Feb. 15, at the Town Office and the Assessors will meet Tuesday evening, Feb. 20, at the Town Office.

The Budget Committee met Wednesday and Thursday evening, continued on Page Eight

"A FUNNY THING HAPPENED ..." BEING PRESENTED AT GOULD FEB. 17 AND 18

On Friday, Saturday and Sunday nights, Feb. 16, 17 and 18, the Gould Academy Drama Department under the direction of Carol Fiske will present the musical comedy "A Funny Thing Happened On the Way to the Forum." This hilarious comedy was written by Burt Shevelove and Larry Gelbart with words and lyrics by Steven Sondheim. It is the story of the wily Roman slave "Pseudolus" played by Jerome Howell from Bridgton, and is "low comedy" pure and simple or perhaps not so pure—just rowdy. Other principals in the cast include Rick Bray, Madison, N. J., as "Hyslerum"; Peter Torry III, Harrison, as "Hero"; Tony Morris, Denmark, as "Senex"; Robyn Perry, Rangeley, and Rachelle Dionne, Lovell, as "Philia", and Lyranne Teague, Norwich, Vt., and Beth deFrees, Rumford Center, as "Domina".

The play will start at 8 p. m. each night and the public is cordially invited to attend. Tickets may be purchased at the box office which will be open at 7 p. m. before each performance.

Municipal Facilities Study Committee Receives More Suggestions on Monday

The Bethel Municipal Facilities Study Committee met on Monday, Feb. 12, at the Town Office to talk with Donald Bennett of the Greater Bethel Chamber of Commerce; Brooks Morton, representing Lyn Bristol of the Wherehouse, and Rob Noll, director of the local Young Life program for teenagers.

Mr. Bennett spoke about the needs of the town's commercial community in relation to the needs of community groups, the town government, and the public services for facilities adequate to carry out their functions. Stressing the fact that the commercial community realizes it must strengthen its own abilities to deliver a variety of services to local residents and to tourists and visitors, he told the committee that, they should consider the possibility of giving any new facility a dual use, both public and private. Bethel's merchants feel the need to have some other activity in the town in the evening besides eating and drinking. They recognize that restaurants are important, and want to strengthen those the town has, but they would also like to see space where dances might be held, a bowling alley, and perhaps a small movie theater in operation so that tourists could view Bethel as a complete resort.

IT'S BEEN COLD !!!

For the past week overnight temperatures have consistently been in the -20° F. range. Even during the bright sunny days temperatures have rarely, if ever, rose above +10° on the scale. The frigid weather has been frequently accompanied by windy conditions. Yes, it has been cold... it has been wintry... it has been February.

Sure do hope someone lifts the lid on the deep freeze pretty soon. At this point I would welcome a good sunburn instead of freezer burn!

Mr. and Mrs. Albert McAllister attended a World's Fair meeting in North Waterford on Wednesday evening.

Barb and Joan White called on their grandparents on Sunday.

Mrs. Howard Inman and Mrs. Frank Howard attended a bridal shower for Pauline Roy at the Community Rooms at the Bethel Savings Bank. Miss Renita Inman was hostess.

Mr. and Mrs. Hugh Stearns visited their daughter Janice and her family in Lewiston Sunday afternoon.

Callers at the Wardwell Farm on Sunday were Helen and Linwood Ring.

Mr. and Mrs. David Scribner and daughter, Lisa, were week end guests of his parents, Mr. and Mrs. Fred Scribner.

Thursday callers at the Barton Farm were Bernard Graffam and Dougie and I. Sunday callers were Don and Joan Leino and children, Harvey Barton and Dick Bennett.

We stayed fairly close to home all week keeping home fires burning.

Thursday evening Margaret Barton and I went to Norway shopping and for supper.

Friday Dougie and I attended a birthday party for Miss Michelle Inman given by her mother, June Inman. Guests attending were from Andover, Albany, Bethel, Harrison, Bridgton and Naples.

Saturday evening Dick and I had a delightful supper with Chris and Elton Cole in Portland. Their fine hospitality was greatly appreciated.

Callers during the week were June and Michelle Inman, Gus, Polly and Paul McAllister.

Have a good week everyone.

South Woodstock

— Olive Davis, Corres. —

I noticed in this week's Advertiser a request of unusual birds in our area. Mr. and Mrs. Carl Brooks at Trap Corner have been feeding a cardinal bird all winter. He comes along towards night to their feed area about every day.

I want to thank the Advertiser for their kind greetings to me on my natal day. It was very thoughtful.

Mr. and Mrs. Frank Campbell visited with her parents Sunday at North Woodstock. They hadn't been able to call on Mr. and Mrs. James Knights much since Christmas because of the miserable week ends.

I had a letter from Mr. and Mrs. Joseph Young this week. For those who know them, they are well and busy. Elizabeth reported no snow in New Jersey as the rain took it all off. I'm not so sure about this storm Thursday as she wrote the letter before the storm. This storm was light here for which I was thankful. I was able to scrape out the road myself as it was light. The plow was up to break out the drift at the foot of the hill.

Mr. and Mrs. Carl Brooks invited me to go to Norway shopping with them Friday. They are always doing nice thoughtful things for everyone. They must have numerous stars in their crowns. They deserve it, I can tell you.

Northwest Bethel

— Clarice Gibson, Corres. —

We are in the grip of a cold snap which is keeping most people home and the old furnaces running if you burn oil and if one burns wood he is busy stoking the fires.

I was told the traffic has slowed down on the main road and got weather reading of from 30° to 12° below zero. This morning I got up early and looked out one window which was intricately covered with frost except for one little corner. I looked out of the corner and could only see the naked tree branches against the sky background, then I could see one star through a tree crotch winking at me.

Mrs. Elaine Hutchins had a surprise baby shower Sunday evening, Feb. 4, for Mrs. David Luxton. Present were Betsy York, Debbie Robinson, Sally Hannon, Diane Leighton, Ruth Wilkinson, Marjorie Conner and Dianne Kanten.

Monday, Feb. 5, Mr. and Mrs. Jeff Hutchins and two girls were supper guests of his parents, Mr. and Mrs. Harlan Hutchins.

I got a letter from Dorothy Fisher saying that she has been in the hospital to have her gall bladder and a tumor removed. She is back home and doing real good; and hopes to be back on her feet soon.

Mrs. Thelma Merrill and Mr. and Mrs. Joe Shimamura went to the Telstar program Saturday night. They all agree it was a very enjoyable program. Billy was in the Starfire Rock Group and also in other parts of the program.

Billy and Jody were both in the Stage Band and Jody ran lights. They program had both an afternoon and evening showing.

Mrs. Thelma Merrill visited Celestine Swan at Locke Mills Saturday afternoon.

Debbie and Ricky Seames and children were dinner guests of her parents, Mr. and Mrs. Robert Stearns.

Mrs. Robert Stearns will be going into Rumford hospital for tests on Thursday.

Dawn and Ryan, children of Mr. and Mrs. Ricky Stearns, spent Saturday night with their grandparents, Mr. and Mrs. Raymond Seames.

Mr. and Mrs. Davis Kimball, Chantel and Anita, Bradley Benson and Andy, had Sunday dinner with Mr. and Mrs. Frank Benson.

Mr. and Mrs. Frank Benson went for a ride Wednesday and visited their daughter, Mrs. Sharon Kimball, Waterford, and had supper at Bean's Restaurant, South Paris.

Saturday morning, Mrs. Chuck Mason III, Jennifer and Chuck IV, went grocery shopping in Norway.

Saturday, Ricky Angevine, Ira Gibson and Douglas Greenleaf, son of Mr. and Mrs. Elden Greenleaf, went snow machining in the morning in spite of the cold and took a lunch. They came home in the middle of the afternoon and a good time was had by all.

Pat Anderson came home from the hospital, Thursday.

Mr. and Mrs. Victor Coolidge and friends went to the Northlands, Berlin, N. H., one evening for supper over the week end.

Mr. and Mrs. Ernest Angevine had Sunday supper with their son and family, Mr. and Mrs. Dick Angevine, Sunday.

Mrs. Sue Angevine and Mrs. Mary Newell took Mary's mother, Lucy Robbins, Bryant Pond, to the Chicken Coop, Rumford, in honor of Lucy's birthday.

Mrs. Judy Coolidge took her daughters, Sarah and Jessica, to Mr. and Mrs. Mike Inman's, Albany, to help Shelley Inman celebrate her fifth birthday.

Mrs. Judy Coolidge and Sarah went to Terry Howard's, Albany, Feb. 4, to attend a baby shower for Mrs. Mike Inman.

Newry

— Miss Amy Hanscom, Corres. —

The warrant for the Annual Town Meeting, which will be held at the Bear River Grange Hall, March 5 at 7 p. m. contains 42 articles, most of them routine.

1980 marks Newry's 175th year as a town, and an article in the warrant asks if the town wishes to appropriate any money to celebrate this event, or take any other action therefor. Another article is to see if the town will vote to keep the Sunday River School House open at times during the summer months as a tourist attraction. This school house was built in the late 1800's, and still retains much of its original appearance, both inside and out. It has not been used as a school since the early 1940's. Last summer it was placed on the National Register of Historic Places. Still another article is to see if the town will turn the 1978 and 1979 Snowmobile Tax refund over to a Recreation Committee appointed by the Selectmen, to be used for outdoor recreation.

Newry does not use the Australian Ballot, but candidates are nominated from the floor. It is believed that all present officers will accept reelection, but no candidates have been announced to date. Officers to be elected are three Selectmen-Assessors, Town Clerk, Treasurer, Tax Collector and Road Commissioner. There is no vacancy on the Board of School District Directors this year. Other officers may be elected or appointed by the Selectmen.

Total budget, for accounts other than schools, is \$31,291.44, up \$1,459 from last year. This increase is due to increased costs, and in some instances, to a reduction in the unexpended balances from the previous year. These balances are normally carried forward to their respective accounts. The Selectmen have been notified that cost of using the Bethel Landfill will be up 15% over last year, to \$2,875. Due to increased State Valuation the amount to be appropriated for State Aid construction for one unit will be \$798 this year compared to \$533 for previous years. This amount will be matched by the State \$1.25 to one, instead of \$2 to one, as in the past. In both instances, the State will add 40% to the joint fund if used for reconstruction of State Aid or State Highways. It is planned to build up a fund for reconstruction of some danger spots on Route 26. Six units were appropriated last year. This makes the recommended \$6 less than last year.

A substantial increase in the share of the M. S. A. D. #44 School Budget to be paid by the Town of Newry is expected. This is due to the fact that the budget is divided among the towns according to State Valuation, and the fact that Newry had an 85% increase in State Valuation last year. As the school operates on

the 1978 Town Reports, Bear River residents who have not received a copy may get their copy from Louise Tetley, Town Clerk, and Sunday River residents may secure a copy from Selectman Stephen Wright. The reports show the year ending with all accounts either balancing off or showing an unexpended balance. Total receipts for the year were \$166,249.45. This includes the Jan. 1, 1978 balance of \$19,750.60. Paid in Selectmen's Warrants during the year was \$139,452.55, leaving a year end cash balance of \$26,796.90. Since closing the books \$10,000 of that amount has been deposited in the General Fund DI/DO account to draw interest until needed.

From a total tax commitment of \$81,226.09, \$4,398.75 remained unpaid at the year end. Of this amount, \$2,205.43 were resident and \$2,193.32 non-resident. Interest at the rate of 8% is charged on taxes not paid by Dec. 1. Within not less than eight months, or more than a year Tax Liens are placed on all Real Estate upon which taxes have not been paid. These liens mature in 18 months, and the property then becomes Town owned. Tax Liens in the amount of \$1,132.06 were held at the year end.

How to Handle Condemnation

It's a real shock when you're told that part (or all) of your property will be taken for a new highway, sewer line, high tension line or other public use. It's usually an even greater shock when the representative of the public utility, highway department or government tells you what they propose to pay.

Relax, and react rationally. Your property may be taken if it is really needed for public use but you must be compensated at "fair market value." If the initial offer is unacceptable, make an appointment to discuss the facts with your attorney. If he agrees with your position, he'll arrange for one or more

Real Estate Appraisers to appraise the condemned property for you. With the facts they give him about "fair market value," he can represent you better in direct negotiation, at a preliminary hearing, or (if necessary) in a court action.

One caution—have a clear understanding of the fees of attorney and appraiser before engaging them.

If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2570. We're here to help!

24 below in places: what a winter.

Callers at Hazel Allen's, Mrs. Sally McAllister, Cheryl, Flora, Craig Allen.

Church well attended in spite of the cold. In fact, I told Barbara LeMay who I ride to church with, the church was so warm I felt like staying 'on. Sure better than the farm house. Not easy to keep warm at 18 below and 8 when we left for church.

a July 1-June 30 fiscal year and the town on a calendar year, only one half of this increase was felt last year. Because of a high ratio of State Valuation to number of pupils, Newry and Greenwood were much larger amount per pupil than the other three towns.

The Selectmen have received the 1978 Town Reports. Bear River residents who have not received a copy may get their copy from Louise Tetley, Town Clerk, and Sunday River residents may secure a copy from Selectman Stephen Wright. FROM THE WATER DISTRICT

Tips to Prevent Water Freeze Ups

The Bethel Water District held
its monthly trustees' meeting on
Tuesday, Feb. 6. These meet-
ings are open to the public and
are held on the first Tuesday of
the month at 7 p. m. in the Town
Office. If you have any questions
concerning the trustees' meetings
or general Water District opera-
tions please call 824-2342 or 824-
2669.

The District has received many
calls from customers concerning
frozen services and meters caused
by the extreme cold weather. To
thaw a service or repair a meter
can be costly to the customer. As
stated by the Public Utilities Com-
mission C. O. #28 "All customers
shall maintain at their own ex-
pense the plumbing and fixtures
within their own premises in good
repair and protect them from
freezing" also that "the customer
shall provide a clean, dry, warm
and accessible place" for the me-
ter. If you have experienced freeze
ups in the past, it is suggested you
take steps to prevent a re-occu-
rence. This can be accomplished in
many ways. For example: allowing
a faucet to run enough to cause
the water in your pipes to be con-
stantly moving. (Note: it is illegal
to allow water to run or to be used
before it is metered), if you know

the location of your service, allow
the snow to build up over it to
help insulate, inside the building,
heated electric tape on the pipes
may help. Check with your local
plumber for more suggestions.

THREE PERFORMANCES of "A
Funny Thing Happened on the Way
to the Forum" are scheduled for
this week end at Bingham Hall,
Gould Academy. Rick Bray (left)
and Per Brynildsen, students at
the Academy, are shown in rehearsal
for the production which will
be presented at 8 o'clock on the
evenings of Fri., Sat., and Sun.,
Feb. 16, 17 and 18, under the
direction of drama coach, Mrs.
Carol Fiske.

Also included on the Telstar
Middle School Honor Roll an-
nounced last week was Mary Beth

FACILITIES STUDY COMMITTEE
continued from Page One
Brooks Morton, representing Lyn
Bristol of the Wherehouse, owner
of the former A. & P. building on
Railroad Street, presented to the
committee a plan that Ms. Bristol
had worked out for the use of
the space that exists in her build-
ing. She envisions a multi-purpose
facility that would provide space
for senior citizens to meet, a head-
quarters for the summer recreation
program, evening activities such
as cooking classes, among other
things. The proposal also involves
building tennis and basketball
courts in a portion of the area
around the building that is cur-
rently used for parking.

Mr. Bennett also spoke about
the town's need for public trans-
portation. At the present time the
only service is that provided to
seniors by Western Maine Trans-
portation. An expansion of this
service to serve the general pub-
lic would be very useful, he
feels, but he thinks it unlikely.

He feels the town, using its own
resources and those of S. A. D. 44,
with its fleet of buses, could de-
velop a plan that would solve pre-
sent transportation problems. He
envisioned week end shuttle buses
from downtown Bethel to the ski
areas and a regular bus route be-
tween Bethel and nearby centers
of population. With the restraints
on auto travel that higher energy
costs will bring, he also sees a
more intensive use of local stores
by a less mobile population and
a regrowth in town of the type of
retailing that was characteristic of
Bethel earlier in the century.

The committee will meet again
on Monday, Feb. 26, at 7 p. m., at
the Town Office. Citizens who
would like to address the commit-
tee are encouraged to phone
George Allen, the committee's staff
assistant, at the Town Office, 824-
2669.

LEATHER 'N LATHER

TRAVELING VARIETY SHOW

WEDNESDAY NIGHT AT GOULD

The Buckfield Leather 'n Lather
Traveling Variety Show will be
appearing on Wednesday, Feb. 21,
at 7:30 p. m., in Bingham Audi-
trium under the auspices of the
Gould Academy Wednesday Night
Performance Series.

This unique form of traveling
entertainment is a revival of a
brand of variety show associated
with the "medicine" and "soap"
shows which toured the United
States from 1850-1930. During that
time shows such as "Nevada Ned
Oliver's Hindoo Pataika Show &
All Coronet Band" and "The Kio-
wa Indian and Medicine Vande-
ville Company" would feature
specialty entertainment followed
by equally entertaining "pitchmen"
such as Doctor Painless Parker,
Snookum Flannagan, Silk Hat Har-
vey and Chief Floating Poplar, ta-
mentation just a few. Their style of
entertainment drew heavily from
vaudeville and was aimed at gen-
eral audiences of all ages. At the
end of the evening's show, the au-
dience was invited to stay and
purchase a "wonder medicine" or
"non-comparable soap product."

Originating in Buckfield, Maine,
the show is the culmination of two-
years of preparation by its own-
ers Benny and Denise Reehl. Both
have been active in professional
theatre for 16 and six years respec-
tively, and this project allows
them to combine the performing
skills learned from the Essence
Mime Theatre of Chestertown, N.
Y., and the Celebration Mime
Theatre of South Paris, together
with their mutual interest, con-
structing handcrafted leather pro-
ducts. At the end of their
performances they will be display-
ing for sale their leather handi-
work together with three ounce-
cans of "Snow-Proof," a quality
waterproofing and conditioning
agent for leather manufactured in
Livonia, N. Y., since 1904. Also
throughout the tour they will occa-
sionally be joined by other "spe-
cialty act" performers who will
appear in their shows. Jud the
Jester will appear with the group
on the 21st.

In 1977 Buckfield Leather 'n La-
ther entertained over 100,000 peo-
ple at such locations as the Frye-
burg (Maine) Fair, the Corn Hill
Arts Festival (Rochester, N. Y.),
and the Portsmouth (N. H.) Street
Fair, as well as at many town fes-
tivals, summer camps and camp-
grounds. So come one, come all,
and "Step Right Up!" to the
Buckfield Leather 'n Lather Tra-
veling Variety Show! The show is
open to the public and there is no
admission charge.

ARCTIC CONDITIONS

On Sunday, Feb. 11, a group from the Gould Academy Outing Club spent six hours on a challenging ski mountaineering adventure.

The adventure actually began on Saturday, when the group arrived in Byron, where Mrs. Norman Young of Byron graciously hosted them for hot coffee and freshly baked blueberry muffins. Mrs. Young informed the group on how to find their base camp on the Bates Tree Farm along the East Branch of the Swift River, and also provided the useful background information on the history of the area.

Once established in camp, the group went on a 10-mile ski tour to test clothing and equipment against the sub zero temperature and persistent wind. This had to be done before attempting the ski

mountaineering challenge on Sunday.

Saturday evening the falling temperature and howling wind forced the group close to the camp stove and into their sleeping bags at an early hour.

A hasty breakfast on Sunday morning was followed by last minute equipment checks and a final briefing on the day ahead. At this time Sarah Hayden, a senior from Columbus, Ohio, had to back out from the trip because of a debilitating cold and sore throat. By 9 a. m. the group was underway in the —16° F. cold morning air. The objective was Tumbledown Pond, which sits at an elevation of 2,500 feet between Tumbledown Mountain and Little Jackson Mountain.

The approach was a five-mile ski tour through Byron Notch. Once at the Tumbledown Brook Trail the group started skiing up the mountain. This trail, as well as the whole southern exposure it lies on, was quite well protected from the wind. The group skied up the trail for one mile and then cached their skis. They began the final assault by foot on the snow crust using ski poles for balance. The 45° terrain coupled with occasional berrans through the snow crust made this last mile to the objective the most difficult.

The resulting reward was something most of the group members did not expect. Few had experienced such scenery and conditions. The scene was a beautiful mountain pond frozen flat and white, set in a glacial bowl of exposed rock ledges among mountain peaks. The conditions were truly Arctic, a temperature of —20° F. and a steady gale force wind of 45 m.p.h., making a wind chill effect of approximately —35° F., thus keeping the visits to this spot at about two minutes per person. Some group members were knocked off their feet and had to crawl back down to the side trail for protection. Conditions at polar regions, or on our own Mt. Washington, certainly could not add to the severity level of this experience.

Deeper snow depths also make deer more vulnerable to coyote attack. Some small herds have lost more than half their number in just one attack. The coyote influx is occurring as part of what Wight sees as a natural wildlife balancing cycle. However, control of coyotes alone is not sufficient to restore herds to the 1963 level. There is a great degree of difficulty involved in controlling the deer's natural enemy and efforts to exterminate coyotes are not seen as very promising. Forest management to preserve the soft wood deer yard protection required for survival in the winter, although an approach to solving the problem, runs head on into economic disadvantages in an area like this where softwood pulp is vital to our paper making industry. Therefore Wight sees the likelihood of restrictions placed on hunting of the deer living in the management areas located on either side of U. S. Route 2; statewide restrictions are unlikely, however, because areas outside of the mountains have an abundance of deer.

Staff members were: Trip Leader, Louise Baker, Assistant Director of Admissions; Peter Rackliffe, Math Instructor; Don Feeney, Outing Club Director. Student members were: Virginia Wheeler, senior from Rockport, Mass.; Per Brynildsen, senior, exchange student from Norway; Ellen Bunker, senior, from Matineus Island; Keith McMullan, senior from Cape Elizabeth.

WHERE HAVE THE WHITE TAILED DEER GONE?

Warden Service Sergeant Eric Wight spoke to the Bethel Rotary Club on Tuesday, Feb. 13, about the effects of climatic change and coyote attacks on deer herds in the western mountain area of Maine. He noted that over the past ten years local deer herds have declined in size and strength. In Andover, for instance, Wight stated that deer kill registrations have dropped from an annual average of 200 to only 45 last year.

According to Wight, investigations and studies into the deer situation have been conducted by Maine, New Hampshire, Vermont and Quebec officials concerned with wildlife preservation and habits. They have noticed a possible correlation between increasingly severe winters in an area covering northern Vermont and New Hampshire and this mountain area of Maine, and a continuing decline in the number of deer recorded in this same area. Wight said that severe winters with long periods of snow cover over 17 inches deep exact a heavy toll on deer herd strength—causing an increase in deaths from weakness and exposure in April when deer are at their lowest point of strength in the year.

Deeper snow depths also make deer more vulnerable to coyote attack. Some small herds have lost more than half their number in just one attack. The coyote influx is occurring as part of what Wight sees as a natural wildlife balancing cycle. However, control of coyotes alone is not sufficient to restore herds to the 1963 level. Highlights from the sermon by Bert Griffith, on Communion Sunday, at the West Bethel Union Church:

In Romans 5:6-8 we read "... But God shows his love for us in that while we were yet sinners, Christ died for us. We have just partaken of one of the sacraments of the church, the Lord's Supper. Let us take a little deeper look into some of the things that we have just done. What has been accomplished? Why did Christ say, 'Do this in remembrance of me.' I think we should remember what has been done for us—not as a church, not as a congregation, not because the name of the church might go forth, or the preacher's name might go forth, but because of what Jesus Christ has done and Jesus Christ only. He is the one we uphold here this morning. He is the one we remember every time we look to the Lord's Table. It is Him, Jesus the Messiah, the King of Kings, the Lord of Lords—Jesus the Christ of God.

People everywhere have dozens of reasons for not attending church, but they have never faced up to the Saviour. They have never looked at him full in the face and said, 'I don't go to your church because you are imperfect.' We cannot say that. Jesus is perfect. He is completely forgiving. He is the one who forgives—even our in-attendance. He forgives whatever we do. He is the author and finisher of our faith. Look at Him. Look at the Perfect One. Look at the water of life that flows freely where there is forgiveness of all wrong. Yes, it is Him who we serve, and it is Him who we preach.

We as Christians are the temple of His Body. We as Christians, as ambassadors to Jesus Christ, should be lights. To be full of light is to be full of Christ (Luke 11:33). We are literally temples of the Holy Spirit. He comes in us to dwell. Our body then becomes the temple of the Holy Spirit (John 2:21). The body of sin, the great big body of sin that surrounds us has been destroyed—put behind. We don't have to serve it anymore. Romans 12:1-2 gives us a way to accomplish this. 'Present your body a living sac-

rice holy and acceptable to God, which is your reasonable selves, and be not conformed to this world, but be yet transformed by the renewing of your mind." We are not saying, come into our church because you will be fed, or your body will be fed. We are saying come into our church and have your soul changed. Because when a man's soul is changed and when a man's heart is changed, then the man is changed. When the inward man is changed, the outward man changes because a man is as he thinketh in his heart.

It is the Word that brings us to God. It is God that draws us to himself through the Holy Spirit. There is new hope at Calvary. Not just superficial hope, not just "I hope so", but absolute hope—absolute promises of God that say, "I forgive you, I love you, I care about you, I want you to come to heaven, I want you to be with me eternally."

Now, most of us know that we have been walking the other way. We don't want to serve. We don't want to get out of the status quo. We like things just as they are. That's not what the Lord has in mind. Jesus meets our deepest need. God did it. He meets the deepest need in every single soul where there is a God-shaped vacuum that doesn't have Christ.

There is a cross in the middle of the heart that is empty unless Christ can fill it. Unless we willingly come to the foot of the cross and say, "Lord fill me—I want to be filled." John 5:13 tells us that "These things are written that you might KNOW that you have eternal life." God not only gives it to us, but he tells us about it. He tells us that it is absolute and certain—and that we cannot stumble along the way if we but look. Begin to walk now. Begin to be eternal. The end of all hope is that He loves us. Anytime that we want to we can turn to God. We can just turn to God and say "God, forgive me a sinner, I'm sorry." And you can expect by the authority of God's word that he is going to forgive you. We have the forgiveness of God. John 1:12 says, "To as many as received him, to them gave he the power to become the children of God." Yes, while we were yet sinners, Christ died for us. He has redeemed us.

As we look at I John 1:7-10, carefully and prayerfully, it tells us that if we walk in the light, because He is in the light, there is a result. What is it? Immediately, we have fellowship with another. There is peace in the church and the blood of Jesus Christ, His son, cleanses us from all sin. Do you know what God does for your sin, your trespasses, when they are

Jeffrey Fleet was home from his grandmother's at North Waterford Sunday.

Alva Morrison expects to be with us very soon.

With all the many friends that have helped me celebrate my 82nd birthday I don't know how to thank them all. So I will say, thank you all.

Only a short time before the crows will be joining the morning chorus.

confessed and forgiven? The promise of the scripture is that, "I will put them as far from my remembrances as east is from the west. 'I will remember them no more.'"

The cross has provided a light—a way. There is a way of life. We can live in a state of well-being. We can submit our lives to him in trust. We can do as he wishes us to do. There can be a transition, but it takes a commitment on our part. We can go from acknowledgement to commitment. There is a difference between acknowledging the Saviour and committing our lives to Him. We can go from watching to walking. We can go from being passive to being positive to Christ. We can go from being listless to offenseless. We can go from being restless to righteous. We can go from being relaxed to being renewed. We have been made perfect in the throne room of God. We have a relative perfection, a spiritual maturity, and we are going to have an ultimate perfection. We can walk with God. We can enjoy the bountiful life of Christ, but he wants us to renew the heart within us.

Say with me today, "Yes, Jesus, come into my heart, I want to start today to live for thee—and live the victorious life."

CARD OF THANKS

Take the one you like but makes no difference to the ground hog.

Mr. and Mrs. Bryce Yates arrived home Saturday night about 7 p. m., tired but happy until he was told one of his pick-up trucks had been totaled by a Carrier trailer truck a night or two before.

Darnita and Elden Yates were both home for the week end, returning to their work Sunday. Elden in Augusta and Darnita in Vermont.

Verna Swan called on Eva and Russell Yates Friday P. M. Clayton Sweat was also there as the TV had a touch of something serious. But Clay's magic fingers soon fixed that.

The snow banks are so high you have to get clear out into the road to see a car coming.

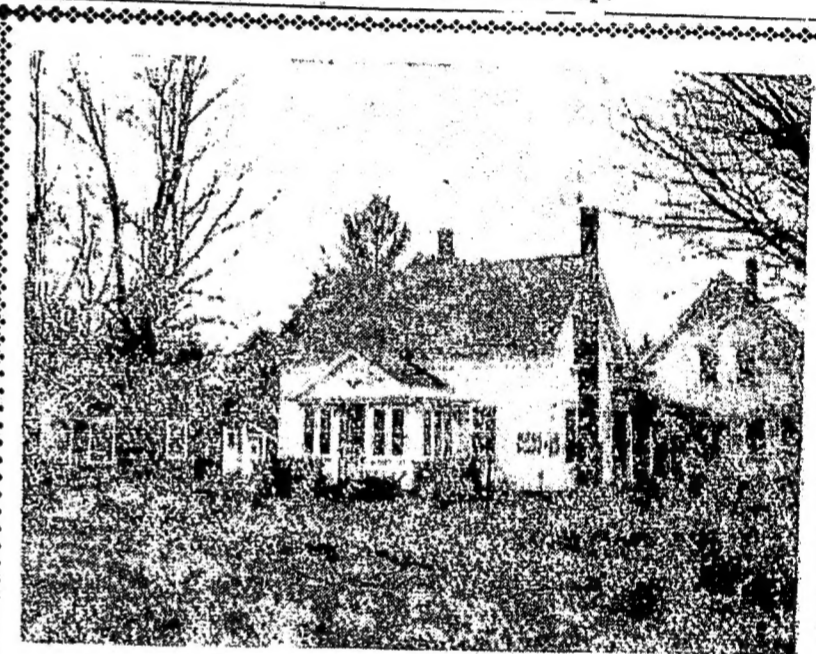

Was this old woman pleased to read in the North Paris news that the correspondent there agrees with me on the weather. I have said we never had such rotten weather as we have now until those "big scientists" began their walk on the moon. That and this bumming around in space has upset our weather terribly. There is a saying "Man will destroy himself" and I think they are going to and the whole world with them.

Darnita Yates visited her Grandmother Eva, and Uncle Joe Yates Sunday forenoon.

Myrna Yates returned home on Saturday from holding down the fort at Bryce Yates for two weeks. Bear River Grange #280 met at

their hall Saturday at noon for a lovely dinner and a nice meeting after dinner with seven visitors in spite of the cold and wind. Plans are now for a chicken pie Sunday dinner the first of April. Date to be decided on at the March meeting. So what up your appetites with "chicken pie" in mind and we shall hope to see you on the proper date. Save your pennies as there may be a surprise in store for some one.

Monday, Feb. 12—still cold—but spring is just around the corner. Cheer up!

The cold that marked January is still with us, but this is expected in the year's month. There was a stabbing edge of a cold wind this week and a few drizzle clouds heavy with snow. But the thermometer hits each time the cold relaxes if blue skies, the season hitches more toward spring. The sun sharper rays to the blanket and fields and this forested closing era of winter. We know that February can be contradictory but each calendar when chipped away has to shrink of winter's days.

GEORGE LUTHER GREENLEAF

George Luther Greenleaf died on Feb. 13, 1979 at Ledgeview Memorial Home, West Paris. He was born at North Norway, Oct. 26, 1893, son of Harry F. and Edith Abbott Greenleaf.

He had lived in Norway nearly all of his life, but in recent years had spent winters in Inverness, Fla., and summers at Pappoose Pond, Waterford.

He had returned from Florida on Dec. 27 to Stephens Memorial Hospital and after a week was transferred to Ledgeview Memorial Home.

In June of 1920, he married the former Edith J. Millett, who died in 1967.

MUNDT-ALLEN UNIT #81

LEGION AUXILIARY MEETS

The American Legion Auxiliary, Mundt-Allen Unit #81, Bethel, met at the Legion Home on Vernon Street on Tuesday, Feb. 13, with three officers and seven members present.

Donations were made to UNICEF Muscular Dystrophy, March of Dimes, Fogus coupons and gifts. All bills were paid. The old shelf in the kitchen has been rebuilt with three cupboards and two drawers and is formica covered, and the Auxiliary room now has a closet for flag storage, etc.

The information and registration papers for Girls State have arrived and will be taken to Telstar this week so the candidates can be chosen and confirmation received by April 1.

Jeri Brooks is going to investigate the possibility of a Special Olympics for the area and bring the information to the March meeting. This project has been lacking in Bethel for several years. It is hoped to give a Citizenship Award in the spring. The flag which was purchased for the Senior Citizens will be presented this week at their meeting.

The next meeting will be March 13. This is the birthday supper. Please plan to attend. March is a very busy month for all of the members in both the Legion and Auxiliary. There are now 85 members in the Unit and a greater attendance is needed and more members who are willing to give a little of their time. It would seem that this request is not unreasonable. Time is all that is asked. Those currently giving their time have been doing so for a number of years and feel that they need a boost. Must each member be contacted individually to obtain their support? Mundt-Allen Unit is their Auxiliary, too.

ings, Feb. 7 and 8, to continue review of the 1979 budget. On Thursday evening they met with Fire Dept. officers Robert Davis, David Myers, Reggie Brown, and Bernie Rice, with Charlene Chase, Executive Director of Oxford County Community Services, and with Don Bennett representing the Chamber of Commerce. The Committee requested additional information on a couple of items from the Town Manager and agreed to meet Wednesday evening, Feb. 14, to finalize their recommendations.

The Secretary of State's Office does not mail reminders as to when automobile registrations expire. It is the responsibility of the owner to check his registration or license plates to see when the registration expires. February has more expirations than any other month, and it is suggested that you take a couple of minutes to check your vehicle's expiration date. When a person pays excise tax at the Town Office, they may also register their vehicle for a fee of \$1 over the State registration fee of \$15.

Nomination papers are available at the Town Office for individuals interested in seeking municipal office in 1979. Positions to be filled in 1979 include one (1) Selectman for a three year term, one (1) Assessor for a three year term, and two (2) School Directors for three year terms. Nomination papers must be completed and returned to Town Clerk Merton Brown by the close of business Monday, Feb. 26. The Municipal election will be held on Monday, March 19, and the Annual Town Meeting will be held Tuesday evening, March 20.

TELSTAR SOPHOMORE STUDIES MAINE LEGISLATURE FOR THREE WEEKS

Claude Taylor, a Telstar sophomore, has recently returned from a three week stay in Augusta studying the State Legislature.

The program, arranged through Telstar's principal, Dr. Wayne Gersen, and Maine Young Democrats enabled Claude to study in depth the democratic process of state government.

Claude served as a legislative intern for Representative David Brennerman of Portland. Some of his activities included: researching bills for Rep. Brennerman and other legislators, attending both Democratic and Republican caucuses, in order to study partisan politics, and helping legislators with affairs, such as assisting with newsletters and problems of constituents.

Commenting on his experience, Claude found it to be both "educational and exhilarating," and was grateful to all who made it possible.
